Following God's leading, Amy Tolle has been called to Central Christian College and has accepted a position at the collegiate level in the music department. Amy has served at ECS for eleven years and has used her vast musical talent to build a strong program for ECS students. We will miss her greatly, but wish her the best as she begins the fall semester teaching at CCC in McPherson. We are excited to announce that Jill Miller has been hired to teach music at ECS. She has been student teaching here at ECS this semester and comes highly recommended by Mrs. Tolle! We look forward to having her join our staff full time in the fall.

The ABC Program with Sunflower Bank is going on right now, from Jan. 1-March 31. Please look at the attached flyer to see how this can benefit your student and the school.
